

American Red Cross Learn-to-Swim Program Fall 2016

Parent & Child Aquatics

The objective of this class is to help young children become comfortable in and around the water so they are ready to learn to swim. Parent/guardian participation is REQUIRED. Under the direction of an instructor, parents learn how to orientate their child to the water, and how to safely supervise water activities. Parents are encouraged to let children progress at their own pace. Class length is 30 minutes and meets five times.
